POLICY STATEMENT

Our employees, like you, have homes and families that need their care and attention. Extended Care is not a general baby sitting service, it is designed to help our students' families with childcare needs while parents work. Abuse of this service will be addressed as follows:

1. Extended Care is from the time school is dismissed until 6:00 p.m.
2. Children not picked up by 6:00 p.m. will be charged a late fee of $1.00 per minute.
3. Upon the third late pick-up, the late fee charged will increase to $2.00 per minute.
4. Repeated late pick-ups will render your child ineligible for the use of Extended Care services for the remainder of the school year.
