

Friday March 5, 2010

Dear Parents,

This week has been a review of the letters Oo and Pp. We also reviewed what a dentist is, what a firefighter and Pastor do, as well as a doctor, (Community Helpers). In numbers we are still working on the number 12 and will continue to do so through next week.

In phonics we will begin the letter Qq next week! Wow the year is flying by! Keep practicing with your child.

Tuesday March 9 is casual pictures-Uniforms are not required for picture day. Please turn in your child's picture form with the pose that you want by Monday morning. No money is needed yet.

Thank you for your diligence in bringing in snacks. If you have not already brought something this week, we are in great need of napkins.
